## TERMS AND CONDITIONS

- The **membership** season **starts on June 1st and ends on May 31st** of the following year, as it coincides with the Serie A soccer season.
- Information on the Membership Form is gathered so we can register you with the Juventus Official Fan Club Headquarters in Turin, Italy, which gives you access to various perks (as specified on our website).
- We can only **accept membership forms** to register with the Juventus Official Fan Club Headquarters **up to the end of October**. After that, the Club Headquarters in Italy does not allow us to submit anymore names to their database until the subsequent membership campaign opens.
- **MEMBERSHIP TO OUR CLUB DOES NOT GUARANTEE YOU TICKETS TO ANY GAMES**. As an official club we are given the opportunity to **access ticketing for OUR MEMBERS ONLY** within a certain timeframe. The accessibility of those tickets depends on demand, importance of the game, size of the stadium and other variables. Furthermore, **the accessibility window usually opens about 14 days prior to the date of the game**. This is often difficult for us who live overseas and need to make extensive arrangements in order to travel. However, this is unfortunately beyond our control.
- **TICKETS ARE ONLY AVAILABLE FOR REGISTERED CLUB MEMEBERS**. When selecting available tickets from the Juventus Official Fan Club Headquarters site, the pulldown menu only allows us to choose our members' names. There is no option to add in another name even if it is a non-member who is accompanying a member. Tickets are printed with the purchaser's name on them tickets cannot be purchased on behalf of another person as they are not transferrable.

I have read and understood the above information
