

Hello JOFCT members!

We have important information for members who plan on traveling to see a Juventus game this season.

Are you planning a pilgrimage to see our beloved Vecchia Signora in Italy or Europe? **Read carefully, because this is important:** This year to better the fanbase experience, **Juventus FC is introducing a Juventus Card.** The Juventus card is your verified identification and access card into the stadium. They will have it linked to your personal email (so no more printing tickets). **As per Juventus Football Club this card is MANDATORY for members going abroad. There is a separate \$30 fee for this card and it is valid for 10 years.**

You will need to notify your fan club, which is Juventus Official Fan Club Toronto, on your membership form at the time of registration or e-mail/call: Joseph Martelli at josephmartelli@hotmail.com, (416) 315-4221 or treasurer_juveclubevents@yahoo.com. **Please note that it will take at least 3-4 weeks to receive your Juventus Card.**

It is crucial that you let us know your intentions as soon as possible. You can enroll for this card until the 2019-2020 membership drive closes. Please note waiting times may vary beyond the minimum of 3-4 weeks during the year. Once payment of a game ticket has been confirmed, JFC will load it to your Juventus Card and you will have access into the stadium with that card.

Information required to obtain the Juventus Card:

You will need to scan a photocopied picture of your passport, which will be sent to Torino, and used for verification of who you are (to an encrypted database). Club President, Joseph Martelli, was very quick to ask how many parties would have access to this information. Our colleagues in Torino were just as quick to respond that, **once your identity has been confirmed, the email with your identification will be deleted and destroyed.** Please email **both your passport scan (under 3 MB) and e-transfer the \$30 to treasurer_juveclubevents@yahoo.com.**

Fino Alla Fine e Forza Juventus!!!
